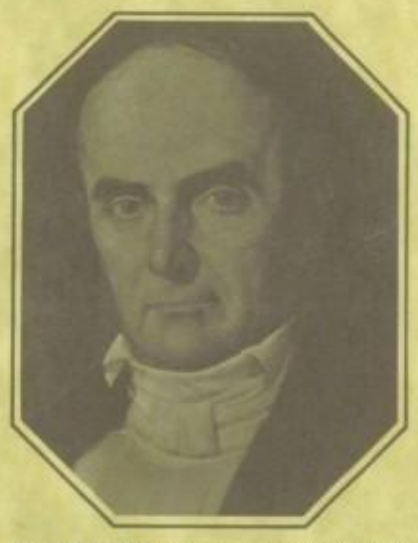
THEY MADE THEIR MARK

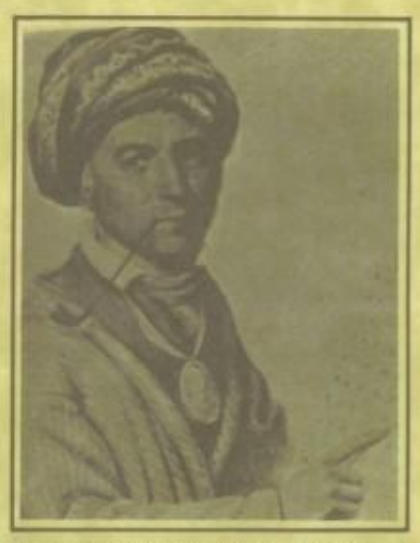
Men and women who helped shape America's history

THOMAS PAINE, a bankrupt Quaker corsetmaker, sometime teacher, preacher and grocer wrote the most brilliant pamphlet of the American Revolution. His words in Common Sense reflected longings and aspirations that have remained part of American culture to this day.

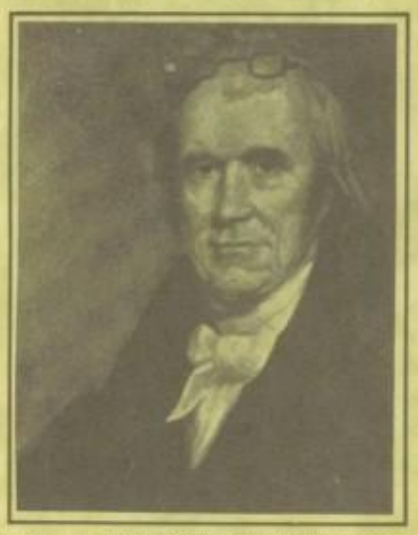


DANIEL WEBSTER chose law as a career and went on to become well-known in the courts and in politics. He was twice Secretary of State with an eye always to the Presidency which eluded him.

DOROTHEA DIX worked her entire adult life for reform of the existing penal and mental institutions in the mid-1800's. The first state hospital in the nation at Trenton, New Jersey was a direct result of her efforts.



The creator of the Cherokee alphabet, **SEQUOYAH,** was an artist, writer and silversmith. He used a simple 1821 English primer to compose the characters. The famous redwood trees of the Pacific coast bear his name.

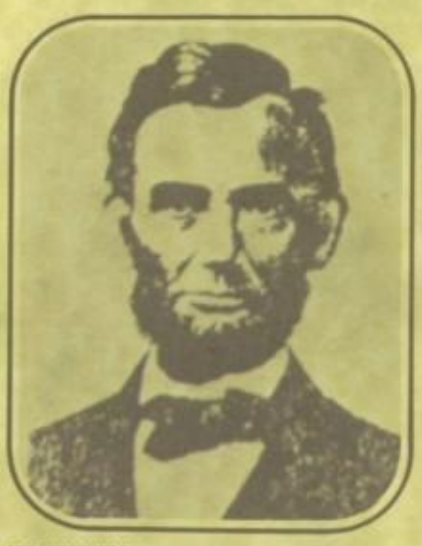


Chief Justice **JOHN MARSHALL** established fundamental principles of American constitutional law. He is noted for his precedental declaration of a Congressional act as unconstitutional. He served through five administrations, from 1801-1835.

Born a slave in Maryland, **FREDERICK DOUGLASS** taught himself to read and write secretly and, at 21, escaped to freedom. He was an ardent abolitionist campaigning successfully for Negro suffrage and civil rights.

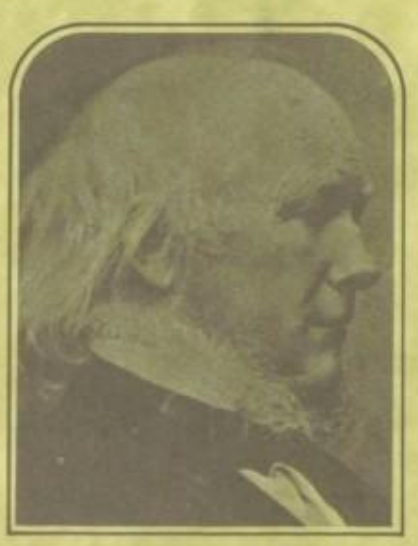
"The New Colossus," a sonnet composed by **EMMA LAZARUS** in 1883 is inscribed on a bronze tablet at the base of the Statue of Liberty. She organized relief for Jews and helped fugitives from the Czar's ghettos to establish homes in America.

AMELIA JENKS BLOOMER, best known for a mode of dress she adopted during her campaign for equal rights for women. Though ridiculed until she gave up the costume, the term "bloomer" came to symbolize woman's bid for individual freedom.



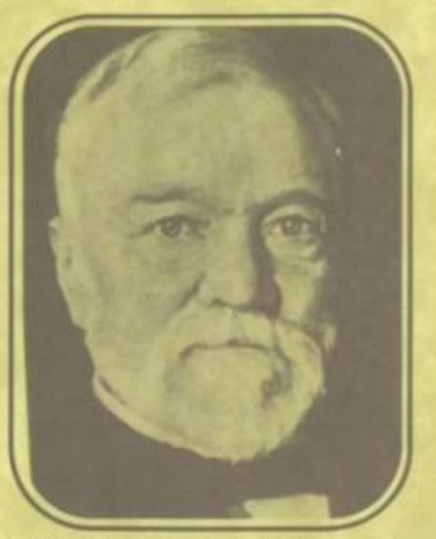
ABRAHAM LINCOLN epitomized the American dream of a humble young man ascending to the highest office of the land. He was superbly skilled at analyzing complex issues and translating them into meaningful words for the public. He was devoted to the preservation of the Union.

HARRIET BEECHER STOWE wrote **Uncle Tom's Cabin** in an effort to make the whole nation realize the inhumanity of slavery. Her book resulted in one of the most popular and controversial plays on the American stage. The Civil War was kindled by this work.



HORACE GREELEY'S admonition to "Go West young man" was a rallying cry of the pioneers of America. He was founder and editor of the New York Tribune. He was best known for his philosophy of social reform and his unsuccessful bid for the Presidency in 1872.

JOSEPH PULITZER was the first journalist to reach a truly massive audience. His New York **World** newspaper was the symbol of "yellow journalism" with its sensationalism aimed at the common man.



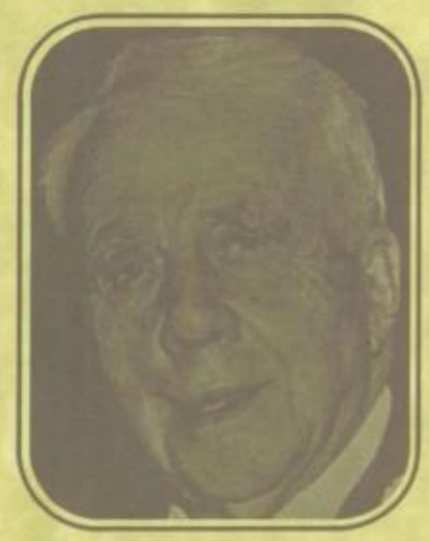
ANDREW CARNEGIE was a giant in the railroad and steel industries. He believed that it was the duty of a rich man to distribute his wealth during his lifetime. To that end, he established 2800 libraries and many cultural halls throughout America.

A lifetime passion for machinery led **HENRY FORD** to Detroit where, in 1896, he completed his first motor vehicle. The Ford Motor Company manufactured the first "Model T" in 1909.

One of the most elementary symbols of the American way of life was established when **J. EDGAR HOOVER** and his Federal Bureau of Investigation "G-men" set out to clean up the country. His career spanned over 40 years.

The motion-picture industry was revolutionized in America and **DAVID WARK GRIFFITH** became known as the "Father of the film art" and "king of directors" for his part in this revolution. His camera techniques were the pioneering steps of the industry.

Serving an unprecedented four terms as President of the United States, **FRANKLIN DELANO ROOSEVELT** was a popular leader who made extensive use of fireside radio chats to explain his plans and generate enthusiasm to push them through Congress.



ROBERT FROST's poetry was clear, understated, well-metered and told the stories of rural America. He was a four-time winner of the Pulitzer Prize and has been called America's poet laureate.

A plain, homely woman with tremendous appeal to the masses, who was always in the "thick of things" describes **ELEANOR ROOSEVELT** and her lifetime of politicking beside her husband during his four terms.

THURGOOD MARSHALL is the first Negro to serve as a justice of the Supreme Court. His law career was aimed primarily at civil rights cases.

The crippler poliomyelitis was conquered by **DR. JONAS SALK** in 1953 after more than 25 years of research. Polio was reduced by 96% in less than ten years. SALK's research continues in California at the Salk Institute.

MARTIN LUTHER KING was a leader in the cause of civil rights. He had been a pastor before turning to the cause of segregation. His leadership earned him the Nobel Peace Prize in 1964. He was assassinated by James Earl Ray in 1968.

Lieutenant Colonel **JOHN GLENN** started America's travels to outer space when he became the first American to orbit the earth. He had been an aviator in World War II and a test pilot in peacetime.

GERALD R. FORD, the first President to achieve the office without an election. In 1974, through a series of scandalous events, the Nixon administration toppled and FORD reached the position through approval by Congress.

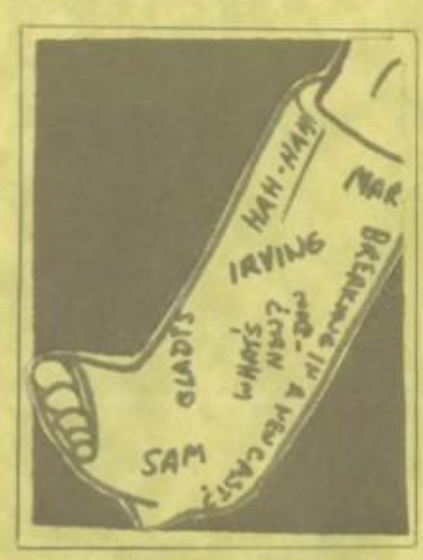
THEY MADE THEIR MARK

Things And People Who Helped Shape L-P '75-'76

A varsity starter for the past two seasons, GLEN MUDGE has been a consistent playmaker on the Cavalier squad. He was named to the 1975-76 NCIC all-conference team this year.

Multiple varsity-letter winner, BECKY KASIK, was among the first L-P girls enrolled in the Letterman's Club, renamed the Varsity Club. The club is now for Jocks AND Jills.

Junior MAGGIE FITZSIMMONS was instrumental in leading a community campaign for funds to restore the original home of F. W. Matthiessen, L-P benefactor. Funds continue to roll in; work's started.



Autographed leg casts were highly visible in L-P corridors, closely followed by students on crutches. An epidemic of hobblers struck the campus this year, making the elevator-pass a status symbol.

Nearly 100 L-P eighteen-year-olds took advantage of in-school voter registration this election year. Fellow students were sworn-in as deputy registration clerks for the cafeteria sign-up.

BOB (CHICO) PEREZ built more pyramids than Egyptian pharaohs, leading the Fubars in spontaneous L-P "fire-ups" during the cage season. Crowning holiday touch: a hairful of Christmas tree lights.

Pigskin was king during this Bicentennial year. Coach Joe Marini's Cavaliers went all-the-way to Springfield in the quarter-finals of the Illinois High School play-offs.

SCOTT PIECHA made his football-small frame felt on the playing field. He served as both offensive and defensive field marshall during the team's winningest season in years.

"JAWS" was the No. 1 movie of the year. This was also the biennial year when I.T.E.D. were administered to all classes. L-P students escaped neither.

THERESA WOLFE sang the feminine lead as Lilly in "Take Me Along" — the patient spinster who waited for the tipling Sid to pop-the-question. She heads for the Navy after graduation.

SHELIA SCHWINDAMAN has made a career out of L-P cheerleading, serving for four consecutive years. She has spearheaded an estimated 10,000 Aztec, Inca and Cavalier cheers.

DON SLUSAREK has done wonders on the L-P basketball courts before. But this year in the opening regional contest he stuffed-in 62 points — for an all-time L-P scoring record.

RONALD JEFFREY SENICA, rugged 225-pound, 6'4" Cavalier lineman, was named to the Chicago Daily News All-State First team. Next year "Stoney" will be doing his thing at Purdue university.

A mole has rudimentary eyes, tough muzzle and strong feet for digging-out — all the tools necessary to survive "The Hole", site of the newly-instituted in-school suspension system.

HAL KURKOWSKI, top student and Merit scholarship finalist, joins a select group representing less than one-half of one percent of the nation's graduating seniors.

JACKIE ROACH, who opts for a career in chemical engineering, was honored this year by a local engineering association. Like Hal, she is a Merit scholarship finalist.

A bearded DANNY BASIL, president of the 1976 graduating class, proudly displays the "Bibs of Bubba." Bibs were BIG around the L-P campus, too.

ALI PADILLA spread her friendly personality across the L-P campus during '75-'76 as AFS exchange student from Costa Rica. She taught interested students native dances and customs.

ROB REIMER did a musical about-face, transforming himself from a lovable con-artist in "Music Man" to a "Superman-Christ" in the rock-musical, "Godspell," last October.

Monster shoes with high-rise platforms accounted for more injuries than you could shake a leg-at. High incidence of lacerations and bruises resulted when L-P girls fell off their shoes.

Fullback "FAST EDDIE" MERRIMAN steam-rolled over opposition for nearly 1,100 yards last season before being sidelined at play-off with a broken arm — the final game against Mendota.

MOOD RINGS and PET ROCKS were popular Christmas gifts among L-P students. The rings reflected the "spectrum of life". The rocks, a happy commentary on Man's willingness to be "had."

MARY NIESEN, for two years creator of the popular "L-P Sketch Pad" in Caval-Currents, is responsible for the great artwork on the new Dren Club page 62 in this edition.

RONALD PICKER came to L-P as interim band director to fill the podium for Mr. Pontious. A chord in "G" (for Great) for his splendid work this year!

Death, Be Not Proud

Death, be not proud though some have called thee
Mighty and dreadful, for thou art not so,
For those, whom thou think'st thou dost overthrow,
Die not, poor Death, nor yet canst thou kill me.
From rest and sleep, which but thy pictures be,
Much pleasure, then from thee much more must flow,
And soonest our best men with thee do go,
Rest of their bones and soul's delivery.
Thou art slave to Fate, Chance, kings and desperate men,
And dost with poison, war, and sickness dwell,
And poppy or charms can make us sleep as well,
And better than thy stroke; why swell'st thou then?
One short sleep past, we wake eternally,
And death shall be no more; Death, thou shalt die.

"It was a pleasure working with the varsity cross country team this year. They worked hard and their efforts were shown in their 6-4 season. The frosh-soph team — all freshmen — showed great improvement as the year progressed. They had a 5-5 and took third in the NCIC tournament. We look for great things from this unit."

L-P in drive for state

CAVALIERS CATCH FIRE!

Five shutouts. 22 interceptions. 20 quarterback sacks. 11 fumble recoveries. Two blocked kicks.

So reads a part of the L-P High school defensive legacy.

The Cavaliers will put their eight-game win skein on the line tonight when the Danville Vikings roll into town for a 7:30 battle in the L-P stadium.

Allowing only 41 points this season, the L-P defense has perhaps been the main reason why the Cavaliers attained a playoff berth.

MENDOTA — The L-P Cavaliers roared to their eighth straight win last night here 40-6 over Mendota's Trojans, but lost all-state candidate Ed Merriman in the process.

Merriman, who had rushed for 1,032 yards prior to play Friday, sustained a broken right arm on his 10th carry of the night early in the second quarter and is lost for the season.

The L-P Cavaliers won their ninth football game of the season last night. And a date with the Peoria Manual Rams.

Taking advantage of two costly turnovers, the Cavaliers of coach Joe Marini advanced into quarter-final round action in the state class 4-A playoffs by posting a 22-7 comeback victory over the Danville Vikings.

L-P varsity assistant coaches Bruce Bauer and Jerry Panizzi (rt.) whoop it up after the Cavaliers whipped Danville Wednesday night 22-7. L-P will challenge the state's number two-ranked class 4-A team at 1:30 p.m. Saturday in Peoria Stadium.

PEORIA — The Manual Rams entered Saturday afternoon's class 4-A state playoff game with L-P amidst the chants of "We're number one" from a large hometown crowd in Peoria Stadium.

When all the post mortems were in, however, the Rams found themselves number two.

The L-P Cavliers rolled up their 10th win in a row 22-6 over the Rams to gain a semi-final berth in the playoffs opposite Springfield Griffin, 33-6 victors over Carbondale Saturday.

Coach Joe Marini's squad displayed a balanced offensive attack and crunching defense to advance into the semis scheduled for 1:30 p.m. Saturday in Springfield's Memorial stadium.

From The Sidelines — Watching the action Saturday at Peoria Stadium were Cavaliers Jim Bray (31), Leo Brown (88), Marty Reardon (52), Ed Merriman (41) and Otis Dungan (79, on end). L-P will take a 10-1 record and strong team unity against Springfield Griffin this weekend in the semi-finals of the state class 4-A playoffs.

All is well in the L-P High school football backfield: Even without Fast Eddie Merriman.

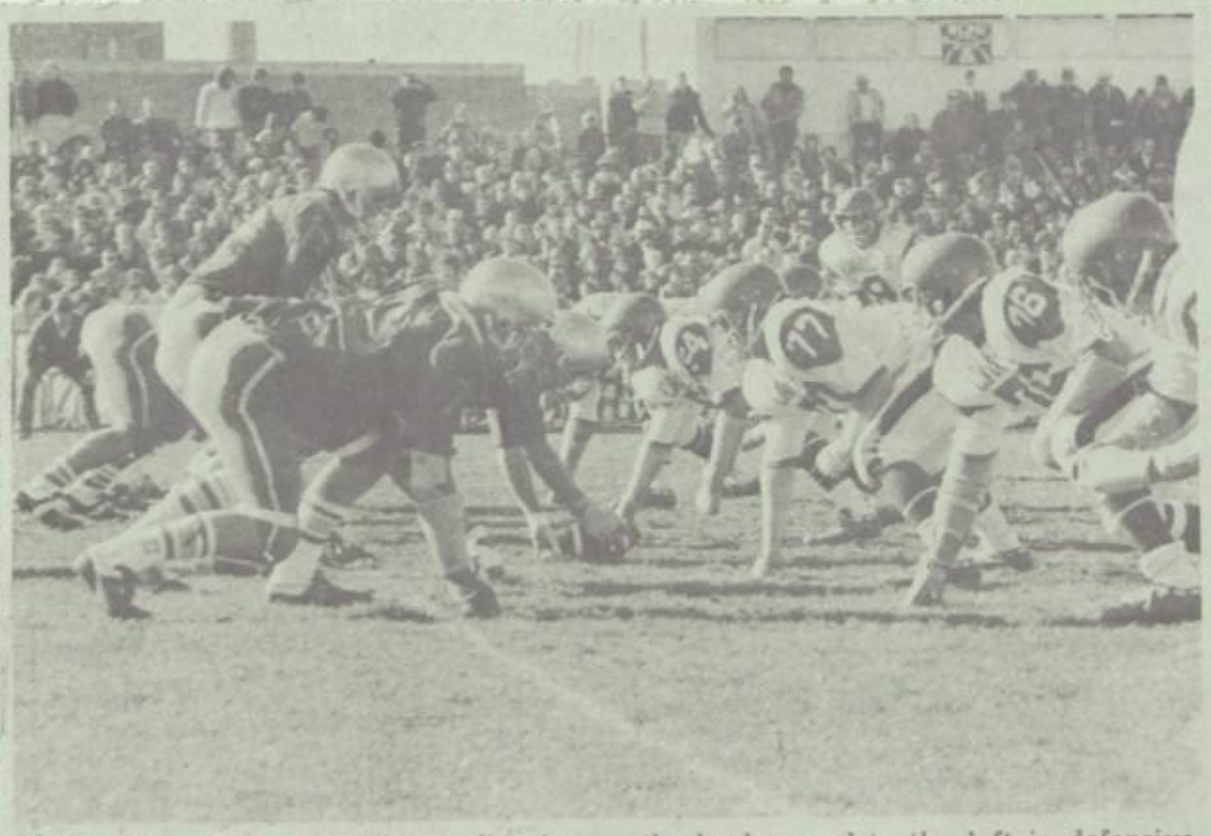
Coach Joe Marini's Cavaliers lost the all-state fullback candidate two weeks ago to injury in their final regular season game against Mendota.

At that time the squad had won eight games in a row. Now the total has hit 10.

Thank you Keith Harve and Bob Ochse.

Whether or not the Cavaliers do win Saturday, one thing is for certain; they will be playing as a team.

Team unity. It got them where they are. And could take them farther..



Lining Up — The L-P defense digs in against Springfield Griffin, including, from right, Jeff Senica (76), John Cullinan (77) and Brent Gandolfi (54). In the background to the left is defensive back Ken Gapinski (9). Griffin scored only once against the rugged Cavalier defense, but came out with a 12-0 victory.

Two of the "lesser known" state class 4-A football teams will meet Saturday afternoon at 1:30 in Springfield's Memorial stadium. The winner will find his publicity increase considerably.

While many sports writers throughout the state have all season singled out Joliet Catholic, Peoria Manual and Lincoln as the three top teams in line for championship honors, two will be conspicuous in their absence as semi-final play is completed this weekend.

SPRINGFIELD — The curtain fell on the L-P High school football show here Saturday afternoon.

Winners of their last 10 straight games, the Cavaliers of coach Joe Marini sustained their first shutout loss of the season 12-0 to a fine Springfield Griffin squad in the semi-finals of the state class 4-A football playoffs.

Griffin earned a berth in the championship game at noon Saturday opposite Joliet Catholic, 20-8 winners over Naperville Central in its semi-final round contest.

A fine Griffin defense ruined the afternoon for the Cavaliers, limiting the usually high-scoring Red and Green Express to only 76 yards rushing and 36 passing for its lowest offensive output of the season.

"The 1975 sophomore football team was one of the most dedicated groups I have ever worked with — on or off the football field. They paid the price and were successful in their quest for the NCIC crown. The boys were good in all phases of the game. Tremendous on defense in particular."

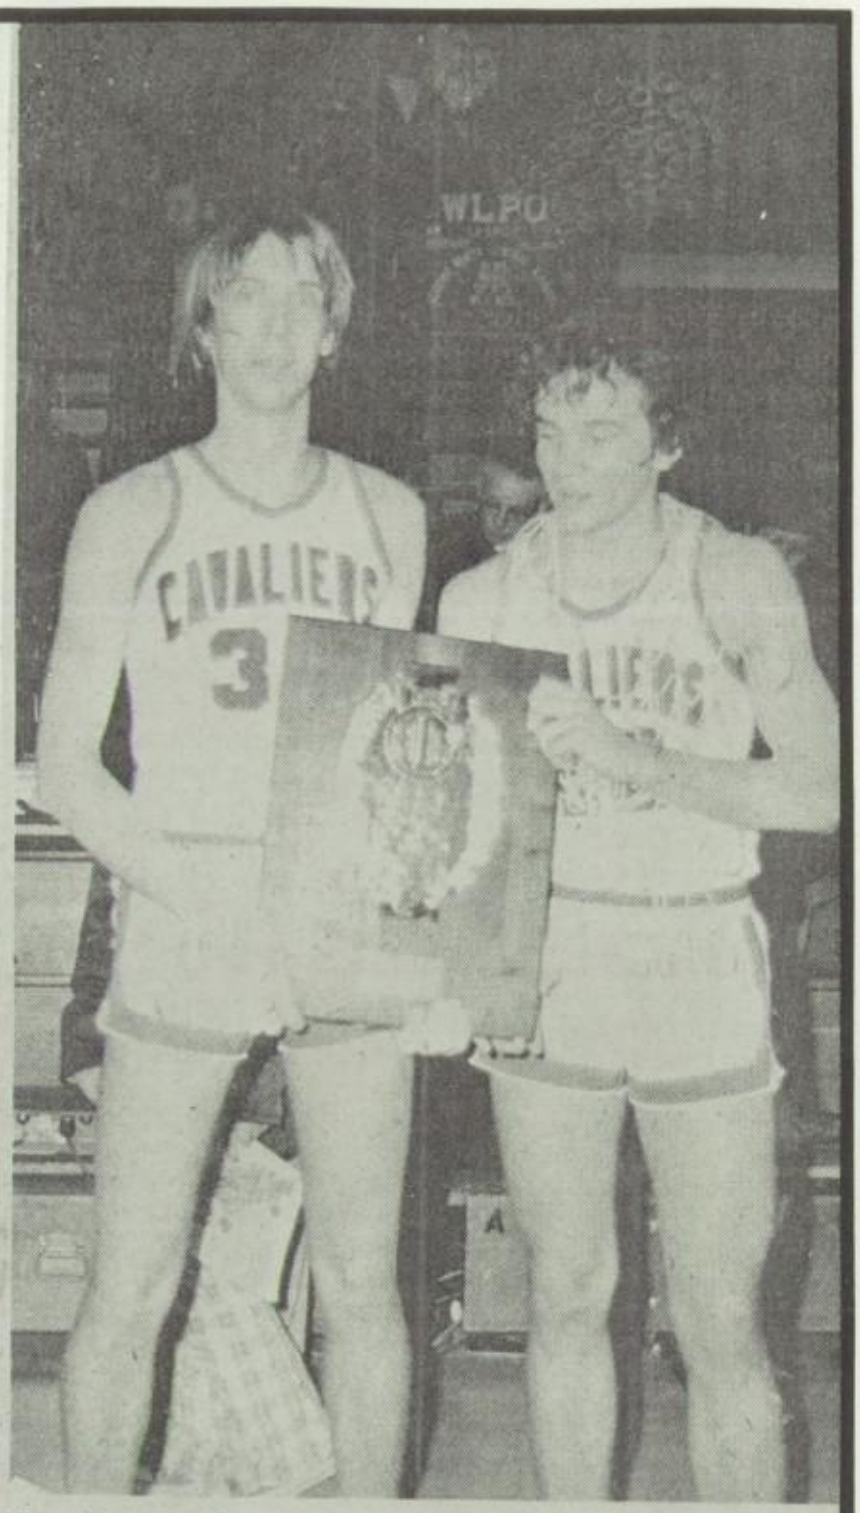
Two For Slu — L-P's Don Slusarek drives around IVC's Eric Kirchner (45) for two of his record-breaking 62 points in the Streator regional tournament opener. Slusarek also had 19 rebounds in the Cavaliers' 19th win of the season.



Cavalier Leaders — Don Slusarek (left) and Glen Mudge pose with the Streator High school championship plaque following last night's hard fought 55-53 win over Ottawa. Slusarek and Mudge each scored 17 points in leading the Cavaliers to their 20th win of the season against five losses. (Photo by Joe Marini, Sr.)

STREATOR — Six clutch free throws in the last 42 seconds paced the L-P Cavaliers to a 55-53 triumph over Ottawa here Friday night in the championship game of the Streator class AA regional tournament.

Tom Mazzorana hit four free throws, the final two coming with only eight seconds left on the clock, and Glen Mudge a pair to run the Cavaliers' record to 20-5 for the season.

The win gave L-P the right to advance to the East Moline sectional tourney next week. The Cavaliers will face NCIC runner-up Sterling in the second sectional game at 7:30 p.m. Wednesday.

Inside — Don Slusarek of L-P (32) works inside for a field goal against Sterling's Mark Holldorf and an unidentified player. Slusarek had a tremendous game.

Rebound — L-P's Don Kotecki (52) battles Sterling reserve Jim Edison (33) for a rebound during Wednesday night's rematch in the East Moline class AA sectional tournament. L-P won the battle of the boards 44-30, but Sterling won the game, 69-65 in double overtime. The Golden Warriors will play Moline in the finals. (Photos by Joe Marini, Sr.)

Sterling shatters Cavalier hopes, 69-65

By GARY KOEHLER

EAST MOLINE — A three-point play by Sterling's shifty little guard Dave Stockwell with just 16 seconds left in double overtime gave the Golden Warriors all the cushion they needed in recording a 69-65 win over L-P's Cavaliers here last night.

The Sterling victory eliminated the Cavaliers from further play in the state class AA tournament with a 20-5 record, while the Golden Warriors advanced to Friday night's East Moline sectional championship game against Moline's Maroons.

Inca Do!

"The boys gained momentum after dropping first two NCIC contests, winding up second in the conference. Took 2nd place in the high-caliber East Moline tourney. A good team — bound to get better in varsity play."

English-Language Teachers

"We look back on: the successful completion of Year One for the Journalism Workshop ..... one small step for drama at L-P (Mrs. Garretson's class performance of 'Winnie the Pooh' as a Christmas present for Washington school, Oglesby) .... two winners of the NCTE achievement awards for writing — Kathy Anderson and Rich Vlastnik. And we look ahead to three new electives next year: Discussion and Debate, Everyday English and English Novels."
Helen Prendergast, Chairman
English Department

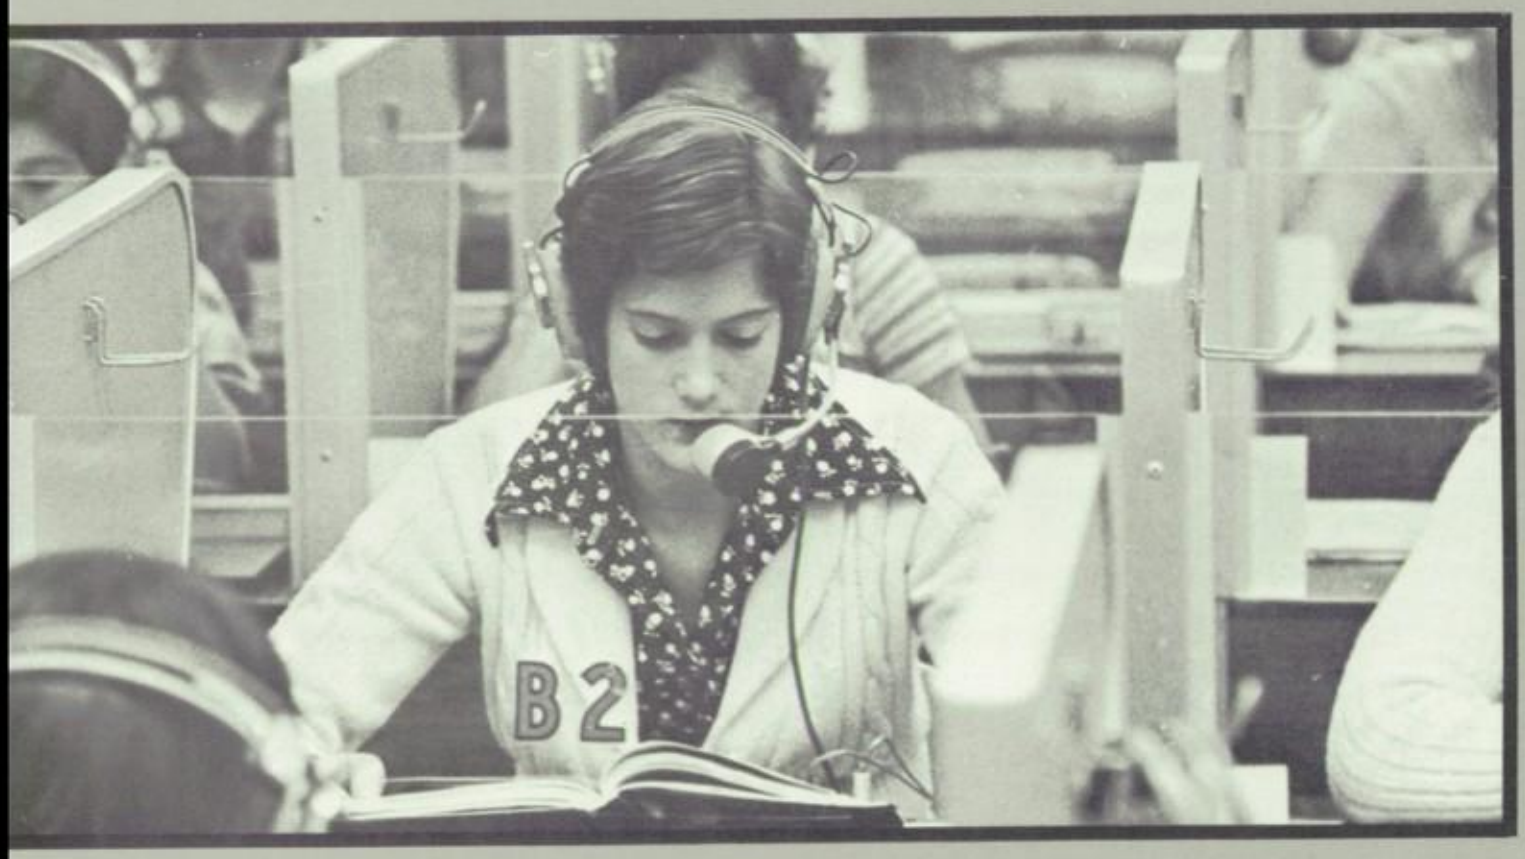
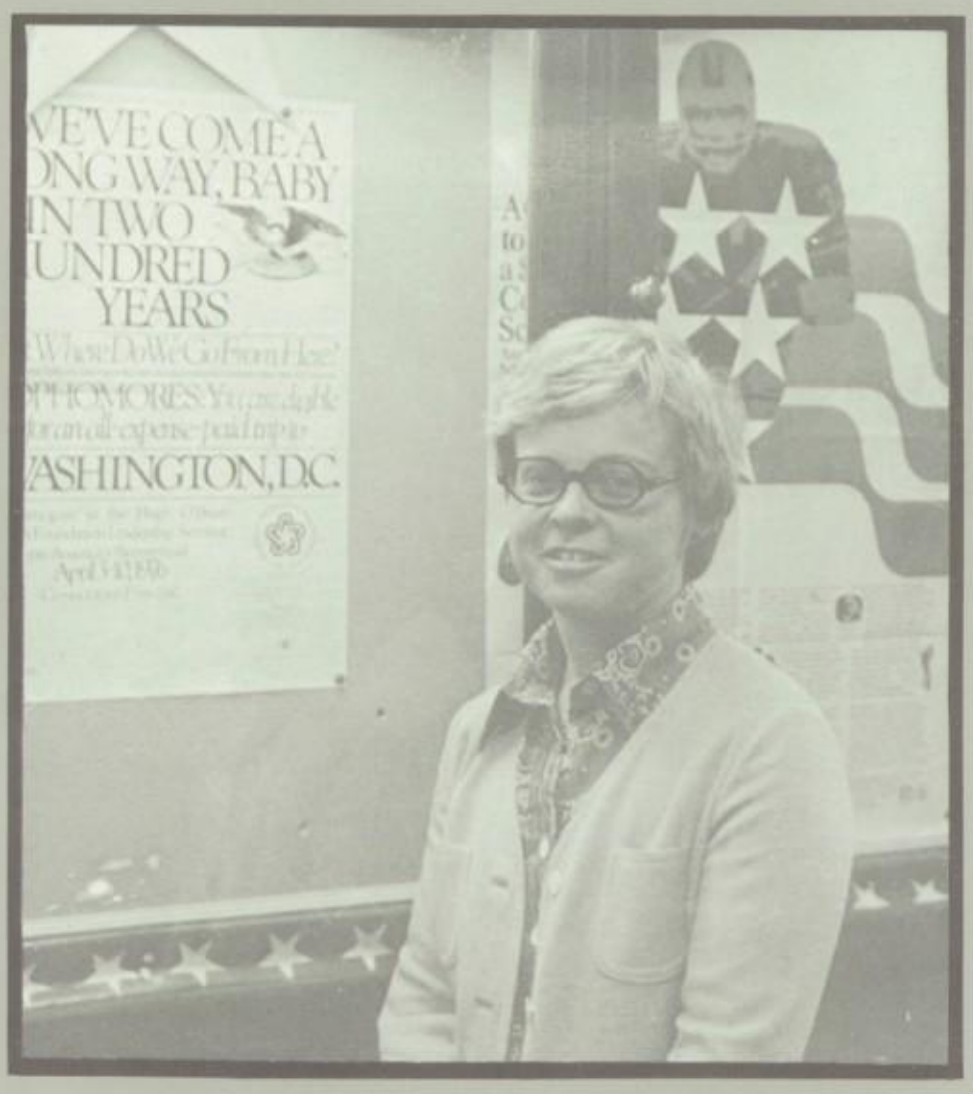
Other-Language Teachers



"A capsule report: Etymology — the study of words — was added to our department offerings this year. Several teachers led groups of L-P students to foreign countries — for a first-hand look, and for a great place to test their French, German or Spanish conversation. The International Banquet was very successful again for the four language clubs."
Dolores Decaroli, Chairman
Foreign Language Department

It Puts YOU In-Tune With The World That Matters

RIGHT: Social Studies staff. Robert Hoffek, Anthony Innis, Dennis O'Keefe, Joseph Skibinski, Barbara Wysocki, department chairman; Ronald Bird, Allen Swanson, Jamie Fields, Robert Gemeny. *BELOW:* Bicentennial displays lined L-P corridors this year.



"The Bicentennial year — an excellent opportunity to pause and reassess ourselves as a people. A reflection on our past gives us an awareness as to where-we-have-been; an honest appraisal of contemporary culture, economics, government , and society provides insights into who-we-are and what challenges await a new generation. What better time to commit ourselves to the Spirit of '76! What better way than by availing one's self of the many social studies offerings!"
Barbara L. Wysocki, chairman
Social Science Department

"An enthusiastic and creative staff plus an outstanding student body added up to an exciting year for the science department. Our newer programs (THIS and individualized biology) are proving successful, judging by increased enrollment and student reaction. We are pleased with the progress of CREATION and the student response to this pilot program as well."
Charles Sheaff, chairman
Science Department

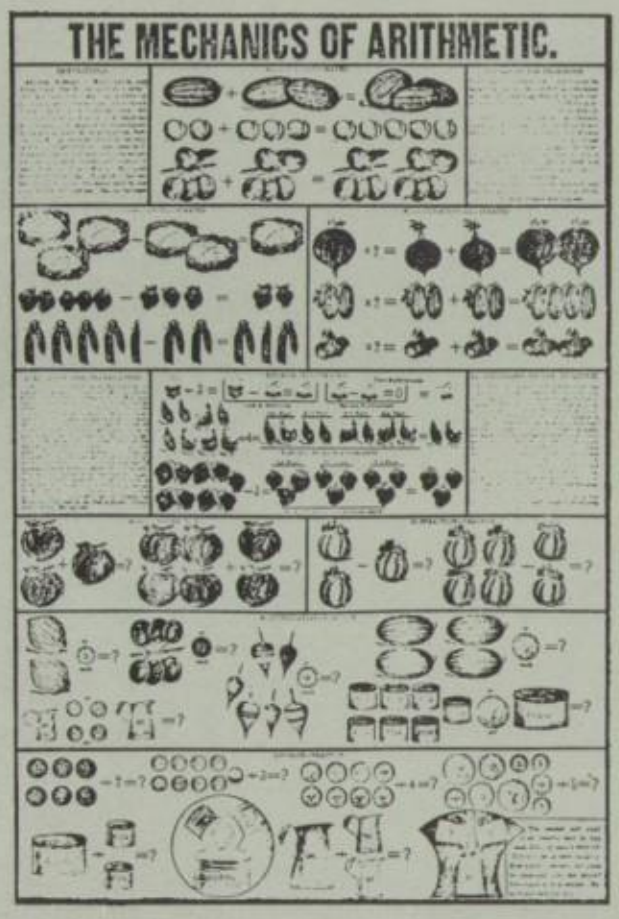
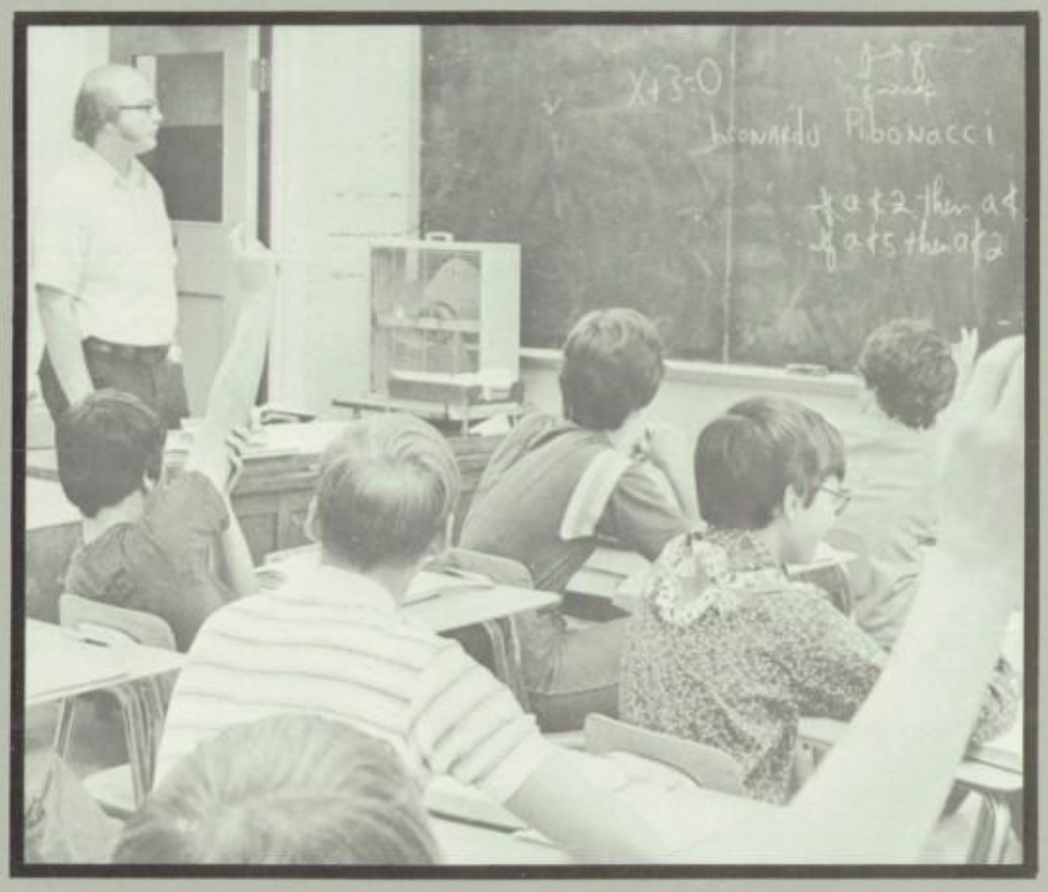
By The Numbers

RIGHT: The slide-rule and its mysteries are discovered by Jim Smith on this giant model. *MIDDLE:* While the mysteries of "Leonardo Pibonacci" are discovered in Mr. Greening's freshman math class. *BOTTOM:* Mathematics department staff. Woodrow Smith, James Brennan, Donald Wojciechowski, Linda Mudge, Lincoln Frost, department chairman; James Greening, Everett Taylor, Cheryl Hobneck, Scott Martens.

"The mathematics department served 1,185 students this year — an increase over last in spite of a total school enrollment that is not increasing. It is hoped L-P students are becoming more aware of the usefulness of mathematics and its applications in the real world. Someone once said: 'However successful, the person having a sound mathematical background is likely to be more successful with the edge that math gives in life."
Lincoln Frost, chairman
Mathematics Department





Project CREATION

"Project CREATION gave students a chance to look at environmental problems in their *own* community. After studying background material, students examined real-life problems and shared their solutions with each other and their community. A wide variety of media, with an emphasis on television, was used by the students to develop their reports. It became a happy experience for us all."
Jean Hauser, media specialist

Robert Nelson, Peru's mayor Donald Baker, Mr. Fields. *LEFT:* CREATION "classroom" — Mr. Fields, Libby Oberholz, Linda Mathey, Steve Gunderson.

Business Education

Paula Hackstadt

"Several additions this year in staff, equipment, and course offerings have strengthened student interest in the Business Education department: 1) upgrading of the Distributive Education course with emphasis on marketing and retailing; 2) more electric typewriters so that all students can become proficient on latest models; 3) two-year courses in shorthand, business machines and Simulated Office (old IVCC campus). In total, an excellent opportunity for those students interested in business careers."

Donald Lamps, chairman
Business Education Department

TOP: Business Education staff. *SEATED,* Paula Hackstadt, Joyce Vulcani, Catherine Whitaker, John Pilarek, Thomas Peterson, Jeffrey Novak. *STANDING,* Felix Hueneburg, "Bonnie", Nancy DeBolt, "Clyde", Sharon Broers, Donald Lamps, chairman. *MIDDLE, LEFT.* Mike Briddick. *MIDDLE, RIGHT:* Mrs. Hackstadt assists Karen Maxedon in the Simulated Office classroom. *RIGHT:* More Simulated Office students.

"These are the 'vital statistics' of Drivers Ed: trained 540 students this year in a three-phase program ..... with two classroom and simulator instructors and eight behind-the-wheel instructors. State troopers conducted week-long defensive driving course. Trained handicapped and EMH students."
George Weber, chairman
Drivers Education Department

Physical education classes — both genders — have undergone vast changes. New course outlines. A variety of activities on an elective basis. Lead-up skills are being taught and L-P students are finding P.E. more interesting and enjoyable.

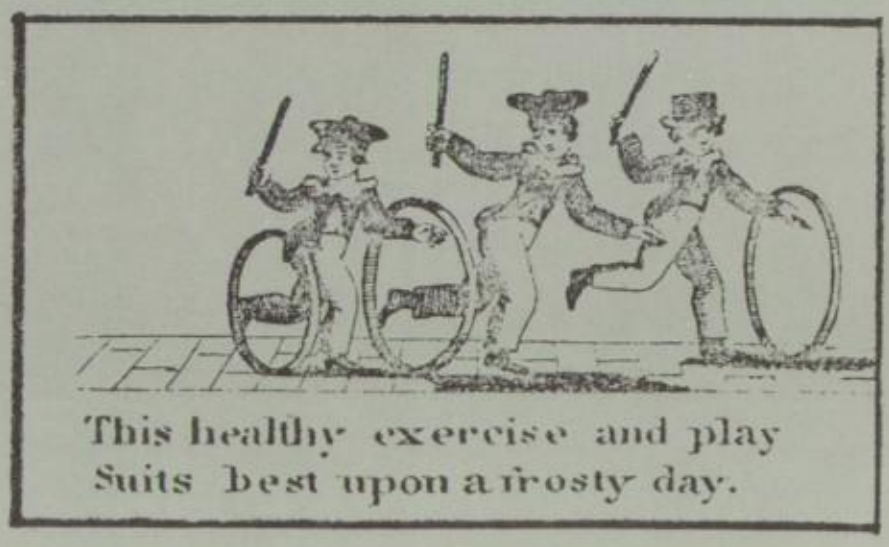
Girls P.E.



BELOW: Staff of the Special Education department. Gladys Diemert, Theresa Powell, Ted Printy, C.W.T.; Karen Christensen, Virginia Kanthak, Ralph Diekelman, chairman; and Gerald Bernabei.

Special Education

"Special Ed notes: Mr. Bernabei was added this year for freshman students in need of special assistance. Mr. Printy continues with student work training. We will graduate another student from our program based at Horizon House. At the Special Olympics in Ottawa, our students took five 'firsts' and three 'seconds'. We took a 'first' at the state level contest in Chicago."

Ralph Diekelman
Special Education

Last year three of Mrs. Powell's students received high school diplomas. This year, Debbie Colmone will be graduated from her Horizon House classroom.

Take two girls with a flare for baton twirling, two rifles that think they're batons, lots of practice and you're likely to get an exciting rifle-twirling routine called the "Bicentennial Minutemen". They're juniors Kathy Pondinas and Gelinda Heller, members of the Crusaders, La Salle County drum and bugle corps.

Pom-making is the serious business of homecoming and routine production lines spring-up everywhere. Rendi Corrigan and Sue Roach turn-out their daily quotas.

Once-fashioned, the poms are used in a thousand ways for the parade and school talent show. Mary Ann Koenig, Dawn Stein and Jackie Omahen apply poms to a float banner.

When it comes to Cavalier spirit, some students are ready to give an arm and a leg. This duo did! Hard-driving varsity fullback Ed Merriman broke his arm in the final game of the season — Sue Swietek, her ankle at a pep rally — both before the Illinois football play-offs. But they were there with spirit right on through state quarter-final play.

ABOVE: "There's the bell. Got to get the mannikin inside the display case before the next class." *RIGHT:* Everyone's doing something alright, but not necessarily the same exercise. "Okey! By the numbers, now — one, two, three ....."

Freshmen do a lot of looking-around during their first year at L-P — just to get the lay of the land. *LEFT:* These frosh are fascinated by the first snow flakes and pause on their way to a T.H.I.S. assignment to watch. *LOWER LEFT:* These Aztec cagers are observing play of the starting-five on Coach Gemeny's squad.

An L-P school year
is more than nine months
or three seasons
It is more than 180 school days
More than a circling around the sun
An L-P school year is time
turned into glorious possibility
Into the wonder that is life.*

We hope ELL ESS PE '76 has captured some of the wonder that has been your life here at L-P.

We hope our Bicentennial issue represents the kind of scrapbook/diary YOU would have put together yourself in order to remember this year better.

If this yearbook has accomplished either, we're pleased. And, so is the rest of our happy staff shown on pages 32-33.

Special thanks to News-Tribune photographers — David Piccioli, Steve Stout, Joe Marini Sr. — for permission to use their original photos of L-P happenings.

Thanks to you, too, who helped shape the "personality" of ELL ESS PEE '76.

Debbie DeGroot
Charlie Ellenbrook
